

Proposal for Time Tracking Solution

Fresh Pack Industries

Prepared by: Consultant

Date: 19th October, 2025

1. Objective

To implement a reliable, scalable, and user-friendly time tracking system for Fresh Pack Industries that will improve visibility, track attendance, and support project management needs.

2. Why Time Camp is a Good Fit

- Automatic & Manual Time Tracking
- Mobile & Desktop Support
- Unlimited Users in Free Plan
- Strong Reporting Tools
- Flexible Monthly or Yearly Billing Options
- Scalable for Company Growth

3. Summary of Pricing & User Licensing

Plan	Annual (Per User)	Monthly (Per User)
Free	\$0	\$0
Starter	\$2.99	\$3.99
Premium	\$4.99	\$6.99
Ultimate	\$7.99	\$10.99
Enterprise	\$11.99	\$14.99

4. Recommendation for Fresh Pack Industries

Start with the Starter Plan (\$2.99/user/month annually). This provides strong functionality for tracking, billing, and management while remaining cost effective.

5. Implementation Plan

Phase 1: Pilot (Month 1)

Phase 2: Rollout (Month 2-3)

Phase 3: Optimize & Review (Month 4-6)

6. Benefits to Fresh Pack Industries

- Improved Visibility of Staff Hours
- Accurate Cost Tracking
- Better Overtime Management
- Scalable and Flexible Solution
- Useful Reporting and Analytics

7. Estimated Annual Cost Example

Premium Plan: \$2.99/user/month (billed annually). For 50 users → ~\$1794 per year (~BDT 219085).

8. Next Steps

1. Confirm User Count and Plan
2. Create TimeCamp Account
3. Configure and Train Pilot Team
4. Review After Pilot Before Full Rollout

9. Conclusion

Implementing TimeCamp will help Fresh Pack Industries improve productivity, accountability, and time management efficiency across departments.
